

April 22	Getting ready for Swarms	
Overview	Notes	
<p>Watch this video from Wildflower Bee Farm: https://youtu.be/RwMsDBLh8io</p> <p>While watching: Think about what your understanding has been so far about swarms, and the associations it may have when we think of swarms. Think about what the purpose of a swarm, what do they need? Review what you know about drones and research what a congregation area is and its purpose.</p> <p>Today's goal: To learn about swarms and drone congregation areas</p> <p>Further research on drone congregation area: https://www.honeybeesuite.com/honey-bee-drone-congregation-area/#:~:text=A%20drone%20congregation%20area%20(DCA,ground%20or%20in%20the%20hive.</p> <p>Video: https://youtu.be/RFFv978m4Uw</p>
