

April 4, 2021	Robber Bee pulled out of Hive	
Overview	Notes	
<p>Watch this video from Wildflower Bee Farm: https://youtu.be/tzZT-8bm0k8</p> <p>While watching: Observe the behaviour of the bees protecting the hive and the intruder.</p> <p>Today's goal: Research how honey bees protect their hive? What measures do bees take to keep robbers out? Explore the different jobs that bees have within the hive.</p> <p>Extending question: What measures do celebrities, politicians take to protect themselves? Think of the White House, or maybe you have been able to visit Parliament Hill in Ottawa, how do we compare to bee hives?</p> <p>Further Resource for managing robbers: https://nwdistrict.ifas.ufl.edu/phag/2013/06/28/managing-hive-robbing-behavior-in-bees/#:~:text=The%20robber%20bees%20are%20the.seeking%20resources%20for%20her%20colony.</p>
