

May 14	1 hive becomes 2	
Overview		Notes
<p>Watch this video from Wildflower Bee Farm: https://youtu.be/4U7M68g70r8</p> <p>While watching: recall all the strategies Hank used in order to make this a successful hive split. Why is it important to split hives? When should you do it?</p> <p>Today's goal: Challenge yourself – if you had to attempt the same activity in this video, could you do it and would you be successful?</p> <p>Further research: Splitting hives - https://youtu.be/FwGWN0AyoFg Splitting an overwintered hive - https://hiveworld.ca/blogs/education/splitting-an-overwintered-hive-why-you-need-to-do-it</p>
