

Instructions:

Have a child in your life that might like a membership to the Bee Science Club? Give them a gift membership!

It's easy! Purchase a membership on the site. Check your inbox (or possibly your spam folder) for an email from info@wildflowerbeefarm.com containing your membership registration details! Save this email!

Then print out the gift certificate below (be sure to choose landscape orientation) and fill out the fields at the bottom. Include your name, the recipient's name and then include the username and password from the registration email.

Give the certificate to the recipient and they are set to go. They will have access to all videos, activities and colouring pages for a full year!
